B.U.A.S.V.M. from TIMIȘOARA
Calea Aradului, 119
300645 Timișoara
ROMÂNIA

Involved in WP08

- ✓ Carrying out rigorous trials on the use of biostimulators in tomatoes cultivated in greenhouses.
- ✓ Assessing the biological fertilisation model as a sustainable alternative to highly-nutritious tomatoes.
- ✓ Carrying out rigorous field trials.
- ✓ Using biofactors to improve the effectiveness of using animal manure from a pig farm in wheat and maize.
