

## RESEARCH JOURNAL OF AGRICULTURAL SCIENCE

Accepted papers will be published as Proceedings in the RESEARCH JOURNAL OF AGRICULTURAL SCIENCE, vol. 50: (4), ISSN 2066-1843.

*Our Journal includes original papers and reviews on Agriculture in general (field crops, fodder crops, plant protection, soil science and plant nutrition, sustainable development and environmental engineering, geomatics, research in biology with implications in agriculture, power resources and agricultural machinery, social sciences).*

The Journal is indexed, with abstracts or full texts reproduced in the following databases and libraries: CABI and EBSCO.

The goal of the journal is to provide scientists and researchers in agriculture and related fields with the opportunity to publish their results of scientific research.

Please register your paper on-line at <http://www.rjas.ro> until **November 2, 2018**. The papers shall have 2 or 3 authors: an undergraduate, an MA or an MSc student, a PhD Student or an young researcher, and 1 or 2 tutors. All papers will be written in English. Each participant may send maximum 2 papers as first author (no more 10 pages/paper).

The abstract (300-400 words) should contain the following: goal of the paper, stage of the research, research material and methods, degree of novelty, results, research limitations, research usefulness, research originality, and research importance.

Deadline for full paper submission:  
**November 9, 2018.**

Prior to publication, all papers will be submitted for review to a scientific committee. Accepted papers will be published as full texts in RESEARCH JOURNAL OF AGRICULTURAL SCIENCE, Vol. 50 (4), ISSN: 2066-1843.

**The participation fee for students is 100 RON (or 25 EURO) and 150 RON (35 EURO) for PhD students and young researchers and includes the Symposium documents, an excursion and paper publishing in the RJAS journal.**

**The best scientific papers presented during the conference will be awarded a prize!**
