

May 27 – June 2, 2013, Timișoara, Romania

This year, the Banat's University of Agricultural Sciences and Veterinary Medicine of Timisoara, the youngest agricultural university in Romania, marks 68 years since the establishment by decree of King Michael I of Romania. On this occasion the management of the university is pleased to invite you to the anniversary week of the university, with scientific and academic events, sports and students' competitions, agricultural exhibition and practical demonstrations.

The corollary idea of this week is to create an opportunity for the teachers, researchers, students, specialists, and professional associations, to learn about the latest progresses in their field and to create relationships.
